Bridal Beauty Package, \$450

This bridal package includes makeup application for the bride plus three additional people (see add ons below) on location performed by Elizabeth. Included is a pre-wedding makeup consultation with Elizabeth to ensure makeup application is exactly how the bride wants it on her big day. Also included is luxury skin prep and a set of false eyelashes. After consulting about availability via email, a \$100 non-refundable deposit is due (this deposit goes toward your overall total and secures your date on my calendar). After the deposit is received a bridal consultation can be scheduled. Your remaining balance will be due one week before the wedding.

Bride Only, \$250

This bridal package includes makeup application for the bride only on location performed by Elizabeth. Included is a pre-wedding makeup consultation with Elizabeth to ensure makeup application is exactly how the bride wants it on her big day. After consulting about availability via email, a \$100 non-refundable deposit is due (this deposit goes toward your overall total and secures your date on my calendar). After the deposit is received a bridal consultation can be scheduled. Your remaining balance will be due one week before the wedding.

Trial Run Makeup Only, \$65

If you are not ready to lock in your date yet a single trial run is optional. However, this does not reserve your date on my calendar and is only recommended if your wedding is more than one year away giving you enough time to pick the artist of your choice without running the risk of your date being taken.

Add-On Makeup Pricing:

Trial Run - \$65 per person

Makeup for Bridesmaid/Extra Person - \$65 (negotiable for big parties)

Junior Bridesmaid/Flower Girl- \$25 per person
